

Moore Real Estate Group Accessibility Statement

Moore Real Estate Group is committed to providing a website that is accessible to the widest possible audience, regardless of circumstance and ability. We aim to adhere as closely as possible to the Web Content Accessibility Guidelines (WCAG 2.0, Level AA), published by the World Wide Web Consortium (W3C). These guidelines explain how to make Web content more accessible for people with disabilities. Conformance with these guidelines will help make the web more user friendly to everyone. While Moore Real Estate Group strives to adhere to the guidelines and standards for accessibility as best as we can, it is not always possible to do so in all areas of the website and we are working to continuously improve our accessibility wherever we can. Be aware that due to the dynamic nature of the website, minor issues may occur as it is updated regularly. We are continually seeking out solutions that will bring all areas of the site up to the highest possible standard of overall web accessibility.

If you have any comments and or suggestions relating to improving the accessibility of our site, please don't hesitate to contact us. Your feedback will help us make improvements.
